Re: Culture Days Masque Workshops for Parade, September 28, 2019

Dear Madam/Sir:

The National Culture Days Festival is coming to the Nipissing Region, September 27 to 29, 2019. Unprecedented levels of community participation will result in a “signature” cultural event for our City and the surrounding region. More than 25 community organizations are collaborating to create a weekend extravaganza in celebration and appreciation of our Multicultural Community as Unity in Diversity.

In early September, Unik Theatre, PEACE School and Local Artists from Nipissing Region Curatorial Collective will enter various local schools that wish to participate in the festivities, to provide students, from Grades 6 to 12, two day sessions of lessons on the multi-cultural history of masks, and how to design and create their own masks that incorporate elements of these traditions and cultures. These students will be given the opportunity to join in a Masque parade along Memorial Drive bike path to the Bandshell, at 10 a.m., Saturday, September 28<sup>th</sup>, for the Opening of the ceremony. We extend an invitation to all area schools to participate in this wonderful event that displays Unity in Diversity.

We feel your School’s participation in this program will aid students in connecting with their community. Please contact Susan Terry at 705-498-5605 or email [sterry@peace-school.org](mailto:sterry@peace-school.org) and Justine Gogoua at 647-607-2202 or email [justnartscompany@gmail.com](mailto:justnartscompany@gmail.com) for more information and to arrange a session in your school classrooms between September 9<sup>th</sup> and September 20.

We look forward to hearing from you about your interest, before the school year end, so we may organize all artisans for September.

Thank you for your consideration and valuable time.
